Dear Sir:

Enclosed herewith is a copy of the Filing Receipt/Notice of Recordation for the above referenced application. The Filing Receipt is incorrect in that the word "asynchironous" in the title is misspelled. The correct spelling is "asynchronous" and the title should be, "Apparatus and Method for An Interface Unit for Data Transfer Between Processing Units in the Asynchronous Transfer Mode".

Please send a new, corrected Filing Receipt showing the correct spelling/correct title of invention.

Respectfully submitted,

William W. Holloway Attorney for Applicant(s)
